**Notes:**
- The table shows the gallons of wine removed from bond or imported into Oregon as reported by Oregon wineries for the month of July 2010.
- The data includes a distinction between taxed, exported, and exempted wines.
- Each winery's total gallons are listed under their name.
- The table uses a shorthand notation where 'FIRESTEED CELLARS  46,744.00  0.00  48,508.16  0.00  0.00  0.00' indicates that 46,744.00 gallons of wine were removed from bond, 0.00 gallons were exported, and 48,508.16 gallons were exempted.
- The total gallons for each category (taxed, exported, exempted) are also provided at the bottom of the table.
